				Sense Thoughts. You sense the presence of thoughts within 30 feet of yourself that belong to creatures that know languages or are telepathic. You don't read the thoughts, but you know that a thinking creature is present. The spell is blocked by 1 foot of stone, dirt, or wood; 1 inch of metal; or a thin sheet of lead. Read Thoughts. Target one creature you can see within 30 feet of yourself or one creature within 30 feet of yourself that you detected with the Sense Thoughts option. You learn what is most on the target's mind right now. If the target doesn't know any languages and isn't telepathic, you learn nothing. As a Magic action on your next turn, you can try to probe deeper into the target's mind. If you probe deeper, the target makes a Wisdom saving throw. On a failed save, you discern the target's reasoning, emotions, and something that looms large in its mind (such as a worry, love, or hate). On a successful save, the spell ends. Either way, the target knows that you are probing into its mind, and until you shift your attention away from the target's mind, the target can take an action on its turn to make an Intelligence (Arcana) check against your spell save DC, ending the spell on a success.

BACKSTORY, PERSONALITY & FEATURES

BACKSTORY & PERSONALITY

HERMIT

You spent your early years secluded in a hut or monastery located well beyond the outskirts of the nearest settlement. In those days, your only companions were the creatures of the forest and those who would occasionally visit to bring news of the outside world and supplies. The solitude allowed you to spend many hours pondering the mysteries of creation.

CLASS FEATURES

Channel Divinity (Cleric)

You can channel divine energy directly from the Outer Planes to fuel magical effects. You start with two such effects: Divine Spark and Turn Undead, each of which is described below. Each time you use this class's Channel Divinity, choose which Channel Divinity effect from this class to create. You gain additional effect options at higher Cleric levels.

You can use this class's Channel Divinity twice. You regain one of its expended uses when you finish a Short Rest, and you regain all expended uses when you finish a Long Rest. You gain additional uses when you reach certain Cleric levels, as shown in the Channel Divinity column of the Cleric Features table.

If a Channel Divinity effect requires a saving throw, the DC equals the spell save DC from this class's Spellcasting feature.

Channel Divinity ◆◆

Channel Divinity - Divine Spark (Cleric)

As a Magic action, you point your Holy Symbol at another creature you can see within 30 feet of yourself and focus divine energy at it. Roll 1d8 and add your Wisdom modifier. You either restore Hit Points to the creature equal to that total or force the creature to make a Constitution saving throw. On a failed save, the creature takes Necrotic or Radiant damage (your choice) equal to that total. On a successful save, the creature takes half as much damage (round down). You roll an additional d8 when you reach Cleric levels 7 (2d8), 13 (3d8), and 18 (4d8).

Channel Divinity - Turn Undead (Cleric)

As a Magic action, you present your Holy Symbol and censure Undead creatures. Each Undead of your choice within 30 feet of you must make a Wisdom saving throw. If the creature fails its save, it has the Frightened and Incapacitated conditions for 1 minute. For that duration, it tries to move as far from you as it can on its turns. This effect ends early on the creature if it takes any damage, if you have the Incapacitated condition, or if you die.

Divine Guidance (Judgement Domain)

Before you or a creature within 30 feet of you makes an ability check, you can expend one use of your Channel Divinity to give that roll a +10 bonus (no action required).

Divine Order - Thaumaturge (Cleric)

You have dedicated yourself to a sacred role of your choice.

Thaumaturge. You know one extra cantrip from the Cleric spell list. In addition, your mystical connection to the divine gives you a bonus to your Intelligence (Arcana or Religion) checks. The bonus equals your Wisdom modifier (minimum of +1).

Gather Evidence (Judgement Domain)

You gain proficiency in Investigation and Insight if you do not already have it. You also gain Expertise in these skills.

Judgment Domain Spells (Judgement Domain)

Your connection to this divine domain ensures you always have certain spells ready. When you reach a Cleric level specified in the Judgment Domain Spells table, you thereafter always have the listed spells prepared.

Level 3: Charm Person, Detect Thoughts, Hellish Rebuke, Zone of Truth

Spellcasting (Cleric)

You have learned to cast spells through prayer and meditation. The information below details how you use those rules with Cleric spells, which appear on the Cleric spell list later in the class's description.

Cantrips. You know three cantrips of your choice from the Cleric spell list. Guidance, Sacred Flame, and Thaumaturgy are recommended.

Whenever you gain a Cleric level, you can replace one of your cantrips with another cantrip of your choice from the Cleric spell list.

When you reach Cleric levels 4 and 10, you learn another cantrip of your choice from the Cleric spell list, as shown in the Cantrips column of the Cleric Features table.

Spell Slots. The Cleric Features table shows how many spell slots you have to cast your level 1+ spells. You regain all expended slots when you finish a Long Rest.

Prepared Spells of Level 1+. You prepare the list of level 1+ spells that are available for you to cast with this feature. To start, choose four level 1 spells from the Cleric spell list. Bless, Cure Wounds, Guiding Bolt, and Shield of Faith are recommended.

The number of spells on your list increases as you gain Cleric levels, as shown in the Prepared Spells column of the Cleric Features table. Whenever that number increases, choose additional spells from the Cleric spell list until the number of spells on your list matches the number on the table. The chosen spells must be of a level for which you have spell slots. For example, if you're a level 3 Cleric, your list of prepared spells can include six spells of levels 1 and 2 in any combination.

If another Cleric feature gives you spells that you always have prepared, those spells don't count against the number of spells you can prepare with this feature, but those spells otherwise count as Cleric spells for you.

Changing Your Prepared Spells. Whenever you finish a Long Rest, you can change your list of prepared spells, replacing any of the spells there with other Cleric spells for which you have spell slots.

Spellcasting Ability. Wisdom is your spellcasting ability for your Cleric spells.

Spellcasting Focus. You can use a Holy Symbol as a Spellcasting Focus for your Cleric spells.
