ATTACKS

NAME	ATK/DC	DAMAGE	RANGE	NOTES
Deflect Attack	—	1d10+6 Reduce Damage	—	When an attack roll hits you and its damage includes Bludgeoning, Piercing, or Slashing damage, you can take a Reaction to reduce the attack's total damage against you. The reduction equals 1d10 plus your Dexterity modifier and Monk level.
Oil (Creature or Object)	DEX 13	5 fire	20 ft	When you take the Attack action, you can replace one of your attacks with throwing an Oil flask. Target one creature or object within 20 feet of yourself. The target must succeed on a Dexterity saving throw (DC 8 plus your Dexterity modifier and Proficiency Bonus) or be covered in oil. If the target takes Fire damage before the oil dries (after 1 minute), the target takes an extra 5 Fire damage from burning oil.
Redirect Attack	DEX 13	2d6+3	60 ft	If you reduce the damage to 0, you can expend 1 Focus Point to redirect some of the attack's force. If you do so, choose a creature you can see within 5 feet of yourself if the attack was a melee attack or a creature you can see within 60 feet of yourself that isn't behind Total Cover if the attack was a ranged attack.
Unarmed Strike	+3	2 bludgeoning	5 ft.	Instead of using a weapon to make a melee weapon attack, you can use an unarmed strike: a punch, kick, head-butt, or similar forceful blow (none of which count as weapons). On a hit, an unarmed strike deals bludgeoning damage equal to 1 + your Strength modifier. You are proficient with your unarmed strikes.

CANTRIPS & SPELLS

LVL	NAME	RANGE	V R	S C	M C	NOTES
0	Mending 1 minute	Touch	V	S	M	This spell repairs a single break or tear in an object you touch, such as a broken chain link, two halves of a broken key, a torn cloak, or a leaking wineskin. As long as the break or tear is no larger than 1 foot in any dimension, you mend it, leaving no trace of the former damage. This spell can physically repair a magic item, but it can't restore magic to such an object.
0	Druidcraft Action	30 feet	V	S	M	Whispering to the spirits of nature, you create one of the following effects within range. Weather Sensor. You create a Tiny, harmless sensory effect that predicts what the weather will be at your location for the next 24 hours. The effect might manifest as a golden orb for clear skies, a cloud for rain, falling snowflakes for snow, and so on. This effect persists for 1 round. Bloom. You instantly make a flower blossom, a seed pod open, or a leaf bud bloom. Sensory Effect. You create a harmless sensory effect, such as falling leaves, spectral dancing fairies, a gentle breeze, the sound of an animal, or the faint odor of skunk. The effect must fit in a 5-foot Cube. Fire Play. You light or snuff out a candle, a torch, or a campfire.
1	Goodberry Action	Self	V	S	M	Ten berries appear in your hand and are infused with magic for the duration. A creature can take a Bonus Action to eat one berry. Thrown. If a weapon has the Thrown property, you can throw the weapon to make a ranged attack, and you can draw that weapon as part of the attack. If the weapon is a Melee weapon, use the same ability modifier for the attack and damage rolls that you use for a melee attack with that weapon.

BACKSTORY, PERSONALITY & FEATURES

BACKSTORY & PERSONALITY

GUIDE

You came of age outdoors, far from settled lands. Your home was anywhere you chose to spread your bedroll. There are wonders in the wilderness - strange monsters, pristine forests and streams, overgrown ruins of great halls once trod by giants - and you learned to fend for yourself as you explored them. From time to time, you guided friendly nature priests who instructed you in the fundamentals of channeling the magic of the wild.

CLASS FEATURES

Deflect Attacks (Monk)

When an attack roll hits you and its damage includes Bludgeoning, Piercing, or Slashing damage, you can take a Reaction to reduce the attack's total damage against you. The reduction equals 1d10 plus your Dexterity modifier and Monk level.

If you reduce the damage to 0, you can expend 1 Focus Point to redirect some of the attack's force. If you do so, choose a creature you can see within 5 feet of yourself if the attack was a melee attack or a creature you can see within 60 feet of yourself that isn't behind Total Cover if the attack was a ranged attack. That creature must succeed on a Dexterity saving throw or take damage equal to two rolls of your Martial Arts die plus your Dexterity modifier. The damage is the same type dealt by the attack.

First Form (Warrior of Khet Ma'a)

Khet Ma'a Weapons. Any Monk weapon that deals Bludgeoning damage counts as a Khet Ma'a weapon. The Naboot (see Chapter 6, Weapons) is considered a Monk weapon for you.

Khet Ma'a Mastery. You can use the Mastery Properties of your Khet Ma'a weapons

Strike From the Roots. When you hit a creature with a Khet Ma'a weapon using two hands, you deal an additional 1d4 damage of the weapon's type.

Throwing Master (Tawila). A Khet Ma'a weapon with the Light property gains the Thrown property with a range of 20/60 feet if it does not already have that property. When you use the Thrown property of one of these weapons in normal range, you can choose to have the weapon return to you, hit or miss.

Flurry of Blows (Monk)

You can expend 1 Focus Point to make two Unarmed Strikes as a Bonus Action.

Martial Arts (Monk)

Your practice of martial arts gives you mastery of combat styles that use your Unarmed Strike and Monk weapons, which are the following:

Simple Melee weapons

Martial Melee weapons that have the Light property

You gain the following benefits while you are unarmed or wielding only Monk weapons and you aren't wearing armor or wielding a Shield.

Bonus Unarmed Strike. You can make an Unarmed Strike as a Bonus Action.

Martial Arts Die. You can roll 1d6 in place of the normal damage of your Unarmed Strike or Monk weapons. This die changes as you gain Monk levels, as shown in the Martial Arts column of the Monk Features table.

Dexterous Attacks. You can use your Dexterity modifier instead of your Strength modifier for the attack and damage rolls of your Unarmed Strikes and Monk weapons. In addition, when you use the Grapple or Shove option of your Unarmed Strike, you can use your Dexterity modifier instead of your Strength modifier to determine the save DC.

Patient Defense (Monk)

You can take the Disengage action as a Bonus Action. Alternatively, you can expend 1 Focus Point to take both the Disengage and the Dodge actions as a Bonus Action.

Step of the Wind (Monk)

You can take the Dash action as a Bonus Action. Alternatively, you can expend 1 Focus Point to take both the Disengage and Dash actions as a Bonus Action, and your jump distance is doubled for the turn.

Unarmored Defense (Monk)

While you aren't wearing armor or wielding a Shield, your base Armor Class equals 10 plus your Dexterity and Wisdom modifiers.

Unarmored Movement (Monk)

Your speed increases by 10 feet while you aren't wearing armor or wielding a Shield. This bonus increases when you reach certain Monk levels, as shown on the Monk Features table.

Uncanny Metabolism (Monk)

When you roll Initiative, you can regain all expended Focus Points. When you do so, roll your Martial Arts die, and regain a number of Hit Points equal to your Monk level plus the number rolled.

Once you use this feature, you can't use it again until you finish a Long Rest.

Uncanny Metabolism ✧

Monk's Focus (Monk)

Your focus and martial training allow you to harness a well of extraordinary energy within yourself. This energy is represented by Focus Points. Your Monk level determines the number of points you have, as shown in the Focus Points column of the Monk Features table.

You can expend these points to enhance or fuel certain Monk features. You start knowing three such features: Flurry of Blows, Patient Defense, and Step of the Wind, each of which is detailed below.

When you expend a Focus Point, it is unavailable until you finish a Short or Long Rest, at the end of which you regain all your expended points.

Some features that use Focus Points require your target to make a saving throw. The save DC equals 8 plus your Wisdom modifier and Proficiency Bonus.

Flurry of Blows. You can expend 1 Focus Point to make two Unarmed Strikes as a Bonus Action.

Patient Defense. You can take the Disengage action as a Bonus Action. Alternatively, you can expend 1 Focus Point to take both the Disengage and the Dodge actions as a Bonus Action.

Step of the Wind. You can take the Dash action as a Bonus Action. Alternatively, you can expend 1 Focus Point to take both the Disengage and Dash actions as a Bonus Action, and your jump distance is doubled for the turn.
